Purchase Soap to keep our ladies in recovery getting paid while also making sure local food pantries are stocked with soap for those in need. For \$65, you can keep a paycheck coming to Cynthia, Leatrice and Shinichi while also ensuring neighbors in need have the basics.

This purchase will both keep our women in recovery earning a living wage during the COVID-19 Public Health Emergency while also serving people in the greater Milwaukee area needing our support to make ends meet and keep hands washed. Soap purchased will be given to food pantries serving people with basic emergency food and toiletries. 12 bars of soap for \$65. Paying it forward to people in need = Priceless.
